## MERRY CHRISTMAS

Over the course of 2011, God has allowed CampsAbroad to minister in the countries of India (twice), Peru, Japan, Chad, Poland, Haiti, Indonesia (twice), and China. That's a lot of miles safely traveled and a lot of lives touched by God's truth! In looking back over this past year, it is good to remember that without the birth, death, and resurrection of Jesus our Savior, we would have no reason for traveling to these nations. We certainly wouldn't go through the trouble and expense of holding camps for young people if we had no Good News to share with them. But Jesus did come to earth as a man and He did die on the cross for our sins and He did rise again in victory! And because of that, we have all the reason in the world to keep traveling, to keep sharing, and to keep equipping believers for the unique ministry of Christian camping. We would appreciate your prayers for some phenomenal ministry opportunities that God seems to be unfolding. We desperately need His wisdom because we know that without Him, we can do nothing.

From all of us at CampsAbroad, have a truly blessed Christmas season!
